County Fire Bans and Rocket Launches

This is a reminder about Kansas 4-H rocketry rules as they relate to fire bans in Kansas. While much of Kansas is currently floating in water, we know that weather conditions can change rapidly, often in 30 days. The 2024 Kansas State Fair rocketry rules state “if a fire burn ban is in effect for any county in Kansas, exhibitors in any Kansas county are not required to launch their rocket(s). All requirements for the launching of rockets for the state fair and the documenting of the launching are suspended for the duration of the ban.” We advise everyone to always be cautious and use good judgment in planning and conducting rocket launches, and consider cancelling them if dry conditions warrant.

Preparing Horticulture Fair Entry Resources

As fair season approaches Plant Science members, please be aware of some resources available to you. K-State Research & Extension publications Exhibiting Fruits and Vegetables and Preparing Cut Flowers for Exhibit are excellent resources for 4-H members and adults that are planning to exhibit their vegetables or flowers. These publications are often used by judges as they evaluate fair entries. <http://www.ksre.ksu.edu/bookstore/pubs/C405.pdf>

Some of you may be more visual learners. The University of Illinois Extension has prepared a series of videos on YouTube, about how to prepare produce for the fair. These videos give step by step instructions on how to select and groom various types of vegetables. <https://www.youtube.com/watch?v=6H5dIS-kgLI>

Animals must be submitted online through ShoWorks by this date, as well as the completed and signed official DNA envelopes being postmarked. Please don't wait until the last minute to do this. The 2024 state livestock information is available from the [KSU Youth Livestock Program](https://www.kansasstatefair.com/p/participate/grand-drive) website. No paper forms will be accepted, all nominations must be submitted online.

Kansas State Fair Grand Drive and KJLS Entry Information

The entry deadlines for the state youth livestock shows are approaching. Remember that a complete nomination does NOT constitute entry; it is only the first step in animals being eligible for the state fair and KJLS. Entries for the Kansas State Fair Grand Drive (4-H/FFA youth livestock show) are due **July 15**. Entries are being accepted now through their website. All animals must be entered directly through the state fair using the online system, which is ShoWorks. Only online entries will be accepted. For more information, visit <https://www.kansasstatefair.com/p/participate/grand-drive>.

Entries for KJLS will be due by **August 15**, also using ShoWorks. However, they are separate shows, so families will need to create a new account when entering KJLS. All exhibitors must register online, using the link found on the KJLS website: <https://kjls.org/>.

Families are encouraged to enter early in order to avoid missing the deadline and experiencing technical difficulties. Exhibitors also need to read the rules for each show before submitting their entries. Questions regarding entries need to be directed to each show, as they manage their own entry processes.

The 2024 Kansas 4-H Livestock Sweepstakes is tentatively scheduled for **August 17-18**. The 4-H Livestock Sweepstakes event includes the state 4-H livestock judging contest, meat judging contest, livestock skillathon, and livestock quiz bowl. Chainsaw Carving 2024 Jackson County Fair

Chainsaw artist - Thomas Jason (T.J.) Jenkins lives in rural Kansas City, MO. He has been tearing apart things since he was 2 years old. As a youngster he did some small carvings. As an adult, life happens and real work intervened. His wood carving began when he was laid off of his job at the airport and he immediately had lots of free time. It all started with a rotten log used for chain saw carving practice.

Practice and more practice followed. One day he ended up carving a bear head out of a tree trunk. Within a short time he had an invasion of over 70 bear heads in all shapes and sizes, painted with the wildest color schemes you can imagine!

T.J. will be carving all day on **Monday, July 15** at the Northeast Kansas Heritage. Come check him out!!!

Items Auctioned Off

All of the woodcarvings will be auctioned off at the beginning of the Livestock Sale on **Thursday evening, July 18**, starting at **7:00 PM**.

Proceeds from this event will go to the Jackson County Fair Association!

Any questions, please contact Jerry Nelson at 785-364-6183.
