

Life's Little Questions

Life's little questions aren't meant to be answered alone. Join 4-H – the club of families who share in teaching kids practical things like pet care, growing gardens or identifying rocks and important values like responsibility. Whether you're in the city or boonies, join 4-H and we'll tackle life's little questions together.

What's the point of 4-H?

Great kids are those that exemplify the four H's, and our mission is to make that happen.

HEAD — Make sound decisions, set goals and stick with them until they are achieved, and have practical skills needed to lead a productive and fulfilling life.

HEART — Act with integrity and accountability, and help others become their best.

HANDS — Put the needs of the community before those of themselves, and serve others.

HEALTH — Actively take care of their minds and bodies.

How does 4-H work?

Join a club!

4-H clubs are group of families/volunteers who generally meet monthly. These meetings give youth opportunities to share their project work (speak), plan community service activities, and practice running meetings. They have many "sub-clubs" for individual projects, led by adults or teens within the club.

Undertake projects.

Members choose from a wide range of individual projects, based on their interests and the availability of a knowledgeable adult in the community to serve as a mentor/leader (matching facilitated through clubs). Through these projects, members set goals, learn the skills needed to achieve goals, and exhibit/demonstrate their skills at events like county fairs, speaking contests and other competitions.

Below is a sampling of projects.

Visit www.JoinKansas4-H.org for a full list.
