

Tentative Fall 2024 Schedule

Meadowlark District (Jefferson, Jackson, Nemaha Counties)

Kansas Extension Master Gardener Basic Training will be offered online via Zoom. Sessions will be held weekly **September 5 through December 5** on Thursday afternoons from 1:00 to 4:00 pm CT. There will be zoom watch parties throughout the Meadowlark District so that we can join the trainings as a group.

We are working to get a few trainings to be held in-person. Some dates may change as we coordinate those in-person dates. You can expect most trainings to be via zoom on the dates below. Supplemental hands-on demonstrations will be scheduled throughout the fall as well.

Date	Topic & Speaker	Location
